Joseph's Corner

Beloved brethren;

It is with immense gratitude in our heart to always express thanks and appreciation for the relentless efforts that all of us are putting in the ministry of our Lord and Savior Jesus Christ. This is indeed God's providence for His children. As

He has promised never to leave us nor forsake us, so He has been doing even 'while we were sinners Christ died us'. His mercy, grace and strength are sufficient for us all.

The efforts from you brethren since 2018 are remarkable. That is, from the time of my studies in Ghana that you supported, up until now, it has produced tremendous results that cannot be denied. Please permit me recall and highlight all these great milestone of progress by His grace for you to know that your support, donations and prayers have been of impact in the kingdom of God which I must remain grateful to.

To start with is the support to study in Ghana Bible College. This brought to me more enlightenment and indepth understanding of scriptures that has caused zeal in me by the same Spirit Whom we received on the day of baptism. This

knowledge has inspired me to stand for the truth and to defend it. This has led to organization of seminars, radio programs and many others. I have been of inspiration to many. These inspired men and women have jealously joined all programs of the church.

The bible school impact:

The studies in Ghana brought this important vision. That is, for us to have a bible school. By 2021, this vision was actualized through your donations by his grace and blessings. This is one of the greatest blessings to us as Brethren have been encouraged to study, old preachers have regained more knowledge, young preachers have been produced, being a help to the congregations, and more congregations have been open due to their efforts. This effort is also a harness by the Sunset School, whom we must acknowledge their effort and role by His grace. They have been great partners in the promotion and sustainability of the school.

Another important impact is the radio evangelism. This has been another tool which has been of great help to the locality and churches. The message preached often reaching farer distances which we have never reached; The church of Christ is now popularly known, making our work easier by preparing grounds before we reach the grounds for evangelism.

All these and many other impacts have been created through your gifts, donations and prayers.

In summary, please permit me to acknowledge brethren who are making tireless and relentless efforts for the success of our ministry in this part of Africa: first on the list is bro. Charli Yana. His love and concern is too much. We appreciate you highly for everything you are doing. The Lord bless you richly. The Camp Hill brethren we owe much gratitude. Their contributions is greatly felt. I also acknowledge bro. Francis Amara for his pioneering effort. Being the first missionary to visit us. He, contacting us, brought a whole lot positive impact by his grace. It is Jesus discovering His apostles. Their contributions from the beginning is too much and highly appreciated. The Lighthouse brethren also deserve our thanks and appreciations for their relentless contributions. The Loveland Heights brethren I want to appreciate so much. Their contributions towards the radio station is of immense joy. To have a radio on our own will be great a great blessing. I want to recognize the Carlisle brethren also for helping us purchase the land we aquired for farming. I want to

acknowledge bro Ron Gilbert who contributed towards the radio program and Bibles. Not forgetting the Sunset School for their partnership and contributions. The Lord be with you. To name but a few.

May the Lord continue to richly bless you all. Your effort, contributions, donations and prayers towards the ministry work of the Lord Jesus is never in vain. Keep us in prayers, add us on your plans and remember us always for more grace and strength for the work.

The church in collaboration with the Bible school has their agenda for 2026 by the special grace of God:

1. Evangelism activities – more congregations to be established by His grace.
2. Eldership and leadership development- elders' class.
3. A radio station.
4. Economic empowerment of members through local partnership and projects.
5. Worship hall completion and baptismal pool construction.

A warm greeting from the Koindu Church of Christ. The brethren are grateful and send their LOVELY GREETING. My family sends you a New Year greeting. We are very grateful for everything.

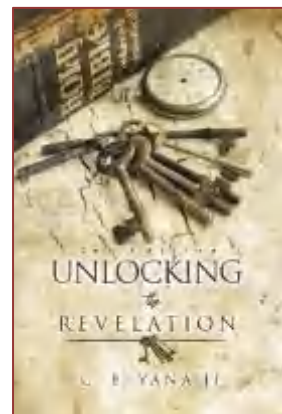

In Him, Joseph Anthony, Yillia.

Support Information

If you or your congregation would be interested in supporting the work of the CRBC, in appreciation, a free copy of the book “Unlocking the Revelation” can be sent to you. To support the CRBC, checks can be made out to: “*Lighthouse Church of Christ*”; memo line “*Joseph Yillia/CRBC*” (*new address listed below*). Because of the education that students receive from the CRBC being free, donor support is crucial. Students, for the most part, are responsible for their own room and board. Budgets can be tight, but even a small amount of \$50 each month would go a long way toward supporting this work. If you would like to purchase a copy of “Unlocking the Revelation” they are \$12.95 plus shipping and handling. If you would like to purchase a book or donate to the Ghana Bible College, you can contact me via chapelalley@gmail.com for more information.

-ANNOUNCEMENT!-

We have also introduced a fundraising drive to purchase a vehicle for the CRBC. The most popular is the Toyota Hilux (\$48k) but comparable to that for less is the Mitsubishi Titan (\$38k). The Hilux is a six cylinder, gasoline powered truck with cab, while the Titan is a diesel powered four cylinder. (*These were prices obtained while in Freetown as of 11/23.*) Checks toward this goal can be made out to the Carlisle Church of Christ, located at 971 Walnut Bottom Road, Carlisle, PA 17015. Add to memo line: CRBC vehicle.
